University of Illinois - College of ACES
Explore Majors, Minors, and Career Paths

This purpose of this activity is to familiarize you with the broad spectrum of opportunities within the College of ACES. We hope this will excite you, help you explore what you might want to pursue, and deepen your interest in the many fields of study in the college.

Go to https://academics.aces.illinois.edu/degree-programs/majors to complete the following:

1. How many majors are available throughout the College of ACES?

2. List 3 majors that seem interesting to you and why

   Major 1: ______________________________________________
   ______________________________________________________
   ______________________________________________________

   Major 2: ______________________________________________
   ______________________________________________________
   ______________________________________________________

   Major 3: ______________________________________________
   ______________________________________________________
   ______________________________________________________
3. How many minors are available through the College of ACES?

4. List 3 minors that seem interesting to you and explain why.

   Minor 1: ________________________________
   __________________________________________________________________________
   __________________________________________________________________________
   Minor 2: ______________________________
   __________________________________________________________________________
   __________________________________________________________________________
   Minor 3: ______________________________
   __________________________________________________________________________
   __________________________________________________________________________

Go to [https://academics.aces.illinois.edu/career-services/exploring-majors-and-careers](https://academics.aces.illinois.edu/career-services/exploring-majors-and-careers), and look under “Connecting ACES Majors or Career Possibilities to complete the following:"

5. For each major listed in question 2, list 2 career possibilities.

   Major 1: ______________________________
